uses four- to
five-word sentences

2 years

points to object
when named

imitates adults
(claps after
adult claps)

points to interesting
objects

plays pretend
("talks" on toy phone)

**It's time to change
how we view a child's growth.**

It's natural to measure your child's height and weight. But you should measure other ways your child is growing, too. Talk with a doctor or nurse about your child's total development.
